Refunds:
More than a week to start date of camps – 75% of camp registration may be refunded, or camp dates may be switch to a later camp date.
If it is less than a week to the start of camps - there is no refund, and camp dates may not be switched.
Once a camp week begins there is no refund and you may not move the camp day/week to another week. There are no refunds or switch of camps dates for anyone who misses camps due to being sick. Please do not send your child to camp sick with a fever or if they are contagious, we will call to have them picked up from camp. We do not have a camp nurse on staff.

Drop-Off and Pick-Up:
Campers will need to be walked in and signed into camp every day. Please provide the name of the person picking them up. You may list multiple names.
Person picking up your camper will need to provide a picture ID. If a person attempts to pick up your camper who is not listed will not be allowed to take the camper until the parents/guardian is contacted.

Guest at Camps:
Recess is a closed camp, which means that parents are not allowed to stay and watch camps. This helps to ensure that your child has the best possible camp experience. If a parent is at camp, the camper will tend to want to interact with them instead of engaging with other campers.
